

The Woodlands Convention and Visitors Bureau (CVB), located in The Woodlands, Texas, is selling one (1) to six (6) 35-foot commercial passenger cruisers. The boats were completely refurbished in July of 2011 and have been used to provide a tourist-oriented public transportation service. Each boat is equipped with two Ray Electric outboard motors powered by 12-volt batteries with diesel generator. As well as running lights, enclosed passenger area, and roof top air conditioning units. The specifications for each boat include the following:

Boat Number	Service Hours (approximate)	Weight (lbs.)	Motors (2 per)
1	12,422	16,000	2.5 HP Ray Electric Outboard
2	11,809	16,000	2.5 HP Ray Electric Outboard
3	15,731	16,000	5 HP Ray Electric Outboard
4	13,926	16,000	5 HP Ray Electric Outboard
5	11,860	16,000	2.5 HP Ray Electric Outboard
6	10,492	16,000	2.5 HP Ray Electric Outboard

Please email BSchmitz@thegoodmancorp.com or call 512-236-8002 x302 for additional information.
